

“Lady of Knock”

There were people of all ages gathered 'round the gable wall poor and humble men and women, little children that you called. We are gathered here before you, and our hearts are just the same filled with joy at such a vision, as we praise your name.

Golden Rose, Queen of Ireland, all my cares and troubles cease as we kneel with love before you, Lady of Knock, my Queen of Peace.

Though your message was unspoken, still the truth in silence lies as we gaze upon your vision, and the truth I try to find here I stand with John the teacher, and with Joseph at your side and I see the Lamb of God, on the Altar glorified.

And the Lamb will conquer and the woman clothed in the sun will shine Her light on everyone and the lamb will conquer and the woman clothed in the sun, will shine Her light on everyone.
